AnMed Health's Impressions Shoppe recognized for service and care to cancer patients

(Anderson, S.C. – September 6, 2019) – AnMed Health's Impressions Shoppe has achieved accreditation through The Accreditation Commission for Health Care (ACHC) for after mastectomy breast prosthesis and fitter services. The Impressions Shoppe is located in the lobby of the AnMed Health Cancer Center at 2000 East Greenville, Street in Anderson, where many patients receive treatment and physician care.

Accreditation by ACHC reflects an organization's dedication and commitment to meeting standards that facilitate a higher level of performance and patient care. ACHC is a nonprofit organization that has stood as a symbol of quality and excellence since 1986.

AnMed Health is committed to providing cancer care services and treatment for the community. Having this accreditation allows us to provide after mastectomy prosthesis and fitter services locally and patients do not have to travel far to receive outstanding service and care.
