AnMed Health allows one support person with patient

(Anderson, S.C. – May 29, 2020) – Beginning Monday, June 1st, one visitor or support person will be allowed in the AnMed Health Emergency Department (ED) with a patient. We also have begun allowing one support person for doctor office visits and outpatient procedures.

For the safety of patients and staff, AnMed Health's visitor restrictions remain unchanged and in place at all AnMed Health inpatient locations. Everyone entering the building -- patients, support persons and staff -- must wear a mask or face-covering. Those who do not have a mask may use an alternative such as a bandana, scarf or other cloth face-covering.
